
MV Cargo Corporate Policy statement for quality, occupational health and safety and the environment

MV Cargo's policy is to conduct all business activities in a manner that protects the environment and the health and safety of our employees, contractors, customers, and communities.

Environment

MV Cargo will comply with legal and other requirements on environmental requirements, prevent pollution, and continually improve performance on criteria relevant to its businesses and operations.

Health and Safety

MV Cargo will comply with local legal and other requirements on occupational health and safety, continually improve performance on criteria relevant to its businesses and operations, and insist that all work, however urgent, will be done safely.

Scope and field of application

This EHS policy is part of the EHS management system of MV Cargo.

MV Cargo will carry out its work in such a way as to protect the Environment, the Health and Safety of its employees and also of people who can be directly affected by its activities.

Therefore, MV Cargo commits to comply with all applicable legal requirements, to prevent any work related injuries or illnesses as well as environmental pollution and to pursue the continuous improvement of its EHS management system and performance.

The implementation of a EHS Management System will allow the staff to reach these general aims and to continuously improve the EHS performances.

MV Cargo undertakes to periodically review this policy to keep it in line with the mission and strategic aims of MV Cargo.
